STANLEY®

HAND PROTECTION

SOLUTIONS

FOR HOME,
BUSINESS,
AND INDUSTRY

Designed for the challenges of real working environments, every STANLEY® glove combines comfort and durability to keep your hands safe during any work being performed.

When you choose STANLEY® gloves, you can be sure of reliable performance, day after day, year after year. That's why every model is built to last with a 1 Year Warranty* as standard.

All STANLEY® gloves are designed with the user in mind and the type of project in mind. With several categories of types of gloves, you can be sure to find the specific right pair for your project needs.

THE STORY BEHIND OUR MECHANICS GLOVES

We design STANLEY® mechanics gloves to meet the needs of a variety of tough jobs. Each features unique styling, such as back-of-the-hand impact protection, strong gripping palm coatings, and adjustable wrist closures. Whether you are rebuilding an engine, working in the yard, or constructing a shed, we've got you covered.
