# OUR STORY

## CORDOVA SAFETY PRODUCTS

From our humble beginnings in 1994 as a glove importer working in a garage in CORDOVA, Tennessee, CORDOVA SAFETY PRODUCTS has grown into a full range, head-to-toe supplier of industrial and retail personal protective equipment (PPE). After years of steady and consistent growth and repeatedly earning a place on Inc. Magazine's list of Fastest Growing Privately Owned Companies in America, we were acquired by Bunzl Distribution. We are now proudly part of their growing North America PPE division dedicated to developing strong brands and delivering profitable growth to our Distributor Partners. Operating out of a 600,000 square-foot warehouse on 39 acres in Memphis, Tennessee, our facility includes warehousing with 32' ceilings, 95 dock doors, and more than 60,000 square-feet of administrative space. From our Memphis headquarters and our distribution center in Rancho Cucamonga, California, we can effectively supply products to our distributors across the US, Mexico and South America. We are a Preferred Supplier to the Safety Marketing Group, DPA Buying Group, the United Group, and STAFDA. At CORDOVA SAFETY PRODUCTS, we pride ourselves on our consistent pursuit of one objective: *customer satisfaction*.

If you are a current CORDOVA customer, we sincerely thank you for your business and we promise to continue to work hard to strengthen our relationship. If you are not yet a customer, we hope this brochure will show you why so many Personal Protective Equipment distributors consider CORDOVA a trusted source for quality products.
