WARNING: This product can expose you to chemicals including Chromium (hexavalent compounds) which is known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, visit www.P65Warnings.ca.gov.

DESCRIPTION:
Pigskin offers the greatest breathability due to large pores in the hide. It's ideal for wet applications, given its tendency to remain soft after exposure to moisture. This leather driver is unlined and provides a shirred elastic back and a comfortable keystone thumb, which offers the highest range of motion.
