- Sold by the Dozen

WARNING: This product can expose you to chemicals including Chromium (hexavalent compounds) which is known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, visit www.P65Warnings.ca.gov.

DESCRIPTION:

This cowhide, split leather palm is derived from the shoulder section of the hide. The standard/regular and economy cuts are selected from the middle and lower portions of the hide, making them thinner than other grades, but still durable and more economical. Cowhide is also comfortable and abrasion resistant. This shoulder-split, leather palm features a starched safety cuff, wing thumb and gunn cut pattern.
